*Crittenden County Schools*  
**#ChromeConnect Agreement**

Crittenden County Schools operate a 1:1 Chromebook initiative called #ChromeConnect for all K-12 students in an effort to better engage students in 21<sup>st</sup> Century Learning and increase student ownership of their learning and the learning process. Students will be using Chromebooks in the classroom as a part of routine instruction. **A \$20 non-refundable technology fee is required for all students in grades K-12. This fee will be discounted \$5 for each sibling in the same household. The fee can decrease down to \$5 per student if four or more siblings in grades K-12 are in the same household.**

Chromebooks are the property of Crittenden County Schools and are being loaned to the student during the academic school year. **Once assigned a Chromebook, students will keep the same device for future years, so it is in the best interest of each user to take care of his or her assigned device.** Students may not deface or destroy this property in any way.

As the Chromebook is district property, the contents of a student's Chromebook may be viewed at any time by school administration. Teachers reserve the right to limit Chromebook usage during class.

It is the student's responsibility to care for his/her assigned Chromebook and ensure that it remains in a safe environment. If there is a claim for damage or loss, there is a deductible to be paid by the student/parent per occurrence. **If the technology fee has been paid, the deductible will be 50% of the cost to make the repair. If a student/parent has not paid the technology fee, he/she will be responsible for 100% of the repair or replacement.** The technology fee will cover the academic year and will be due at the beginning of the school year. A student whose Chromebook is being repaired may be given a loaner to use until the repair is complete and the deductible is paid, pending availability.

The Chromebook must be used in accordance with the district's technology policies and the Acceptable Use Policy (AUP). The student understands the use of the Chromebook is a privilege and acknowledges responsibility to protect and safeguard the Chromebook. Furthermore, the student shall submit the Chromebook in good condition at the end of the academic year. The device will be checked over the summer, and students/parents will be responsible for any damages identified.

If a Chromebook is damaged or lost, the incident must be reported to school administration as soon as possible. Users should develop a complete timeframe with all details of the incident. If theft is suspected, a police report must be filed immediately. In the event school administration permits Chromebooks to travel home with students and an incident occurs, please inform school administration by 8:00 AM the following school day.

**STUDENT EXPECTATIONS FOR CHROMEBOOK USAGE:**

- **Students must be prepared for class by bringing their Chromebooks FULLY charged EVERY day.**
- Purchase of a removable skin for the Chromebook is acceptable for students who wish to personalize their device. **Students are prohibited from personalizing their Chromebooks with stickers, markers, etc.** that could damage the surface of the Chromebook.
- Students are allowed to purchase their own case for the protection of their device, but cases are not provided by the district.
- Headphones/earbuds may be used in class with teacher permission.
- **Students are responsible for their device and should not loan their Chromebook to another user.**

**FOR CCMS/HS STUDENTS ONLY: PLEASE INDICATE IF YOU WOULD LIKE YOUR STUDENT TO HAVE ACCESS TO SOCIAL NETWORKING SITES OUTSIDE OF SCHOOL HOURS.** If you do not make a selection, your student will have no access to social networking sites. **No CCES student will have access to social media.**

- Yes**, I would like for my child to have access to social networking sites outside of school.
- No**, I do not wish for my child to have access to social networking sites outside of school.

**PLEASE SIGN BELOW:**

I have received a copy of Crittenden County Schools' Acceptable Use Policy and have read and understand the requirements for the #ChromeConnect initiative. I accept responsibility for abiding by the terms and conditions outlined in this agreement.
